Dedication

Mrs. Hoppe

The 1980-81 annual is dedicated to Mrs. Viola Hoppe. Mrs. Hoppe was in charge when the first meal was served in the lunchroom in 1945, and she was still there this year, some 6,120 plus meals for over 200 people each meal.

Mrs. Hoppe has spent 36 years as lunchroom supervisor. She has handled this job expertly—making decisions and spending hours planning, cooking and cleaning.

The work that she has done for the students of Johnson City has been more than just a job. It has been a willing service and sacrifice by Mrs. Hoppe to see that each child who passed through the lunch line received a well balanced and nutritional meal.

She has taken pride in her accomplishments, and her dedication to the students of LBJ is appreciated.

Thank you, Mrs. Hoppe, for a job well done.

Call Us Proud

We have spirit. WE have the initiative to follow through on ideas for fun and study.

We are the students who work hard, and play hard. Together we stick by our friends and together we face the Tomorrows and what they may bring.

Our school is named after the 36th President of the United States.

Johnson City High was changed in 1963 to Lyndon Baines Johnson High School.

Proud of Our Name

Proud to be a Senior

Trish and Linda show off "Class of 81" T-Shirts.

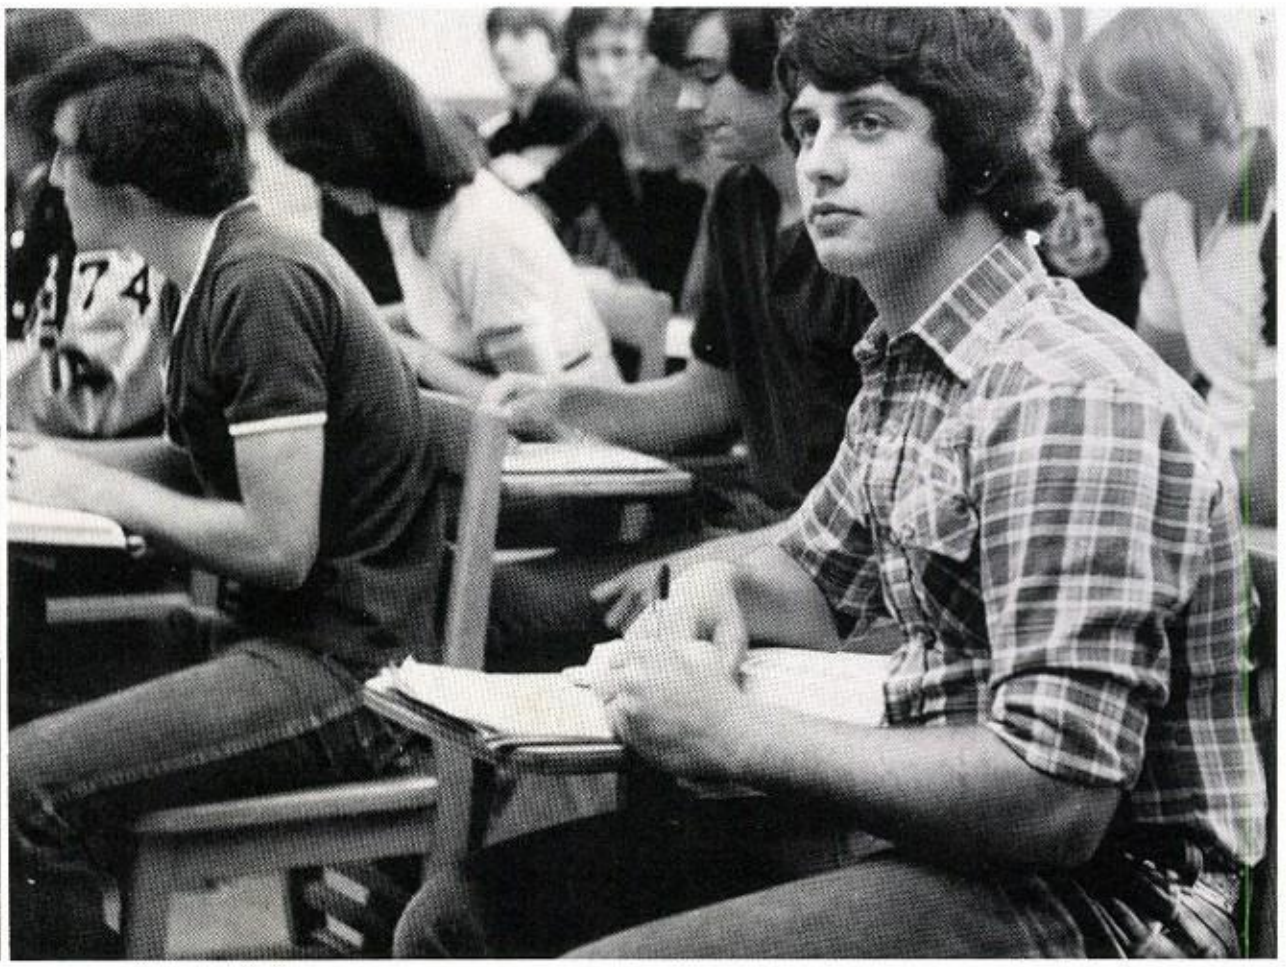
James Haley and his "Secret Service Men"!

Joe, Gary and Robert try to look tough!

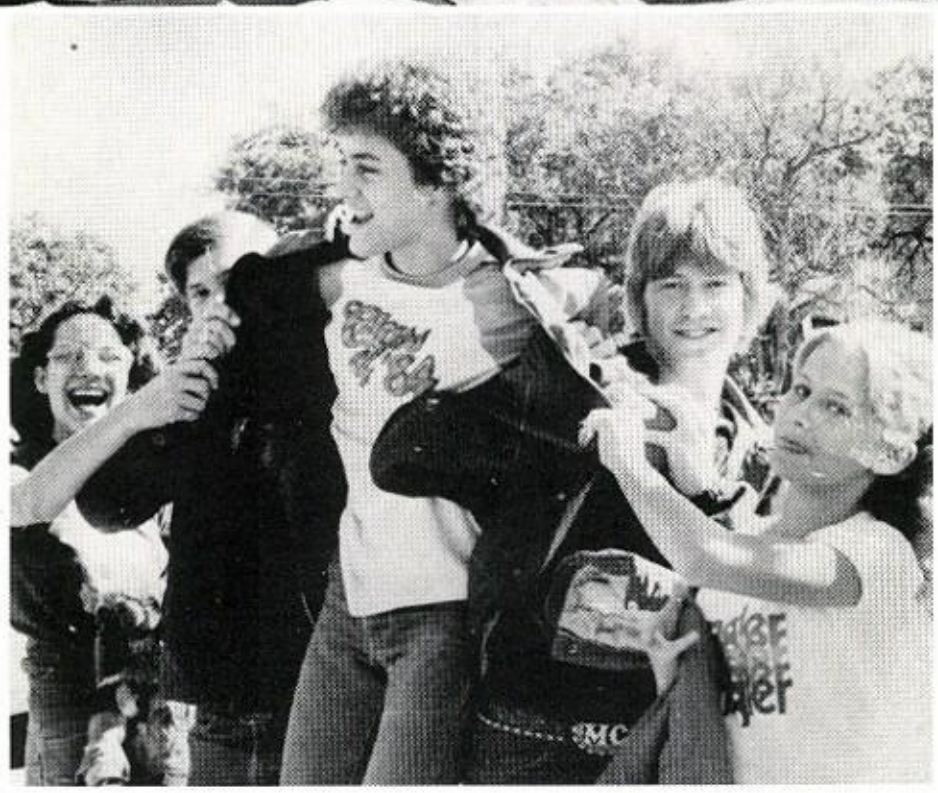
The Senior Class of "1981" is proud of themselves for achieving many of their goals. One of which is graduating! For the last 12 years they have worked and slaved over their books and now they have reached the point in which they get the chance to go out into the world and use what they have learned. Some of the seniors have been together since the first grade.

But even the students that have been together at L.B.J. for two years or less feel as close as if they had been here the full twelve years.

Scott, Janna, Keith, Shannon and Russell goofing off!



A Hard Day in our Civics Class!



The friendly atmosphere of a small school, makes for a student body in which everyone knows everyone and each person feels proud whenever anyone receives an honor or recognition.

Age or class line are not drawn. Seniors are proud of the junior high records; Kindergarten students are special friends of the football team. There is a spirit of "being in this together" and "friends forever."

Left; Sharlette and rest of Freshmen show friends stick together.

Cheerleaders and Football team stick together!

Proud of Our Friends

Proud to be Like Everyone Else

L. B. J. Students are proud of all the ways they are alike.

Wranglers, boots, Cowboy hats and Pickup trucks were the fad for this year.

Even though all students are not alike, we all like about the same kind of things.

Seniors are proud to be REAL COWBOYS!
Scott, Jana, Shannon, Anna, Keith, Randy and Motorcycle Schneider.

Students show off Cowboy boots. Sometimes the contest was to see whose were the oldest and dirtiest.

Would you believe Colin likes Texas?
